

Helmet Policy

Parents/Guardians of players have signed the 'Junior Membership Application' having read, understood, acknowledged and agreed to all the matters below:

Helmets are mandatory for junior cricketers (those under 18 years of age), including when they are playing senior cricket. In junior cricket helmets must be worn when batting and/or in certain circumstances when wicket-keeping. Helmets are not mandatory for junior cricketers while fielding, as junior cricketers are not permitted to field in close proximity to the batter i.e. within 10 or 15 metres of the batter depending on the junior format being played. Helmets must be worn by all junior wicket-keepers when keeping up to the stumps.

The Club has a policy of including a helmet in each team kit.

It is Club policy to mandate wearing of helmets for all junior wicket-keepers under 12 and under at all times (standing up and keeping back).

The club recommends that each child wears their own well-fitted helmet for under 12 and older.

At the commencement of the 2019-2020 cricket season, all community cricketers (whether junior or senior) will be required to wear BS7928:2013 compliant helmets at all times when batting, wicket keeping up to the stumps and fielding in close. More guidance will be provided in due course.
